

IN THE CITY COUNCIL  
FOR THE CITY OF HOOD RIVER, OREGON

**ORDINANCE NO. 2028**

**An Ordinance amending Hood River Municipal Code Title 5 (Business Taxes, Licenses and Regulation) by Adding a New Chapter 5.10 (Short-term Rental Operating License) Governing the Review, Issuance, Enforcement and Administration of Operating Licenses for Short-term Rental Units in the City, and Declaring an Emergency**

The Hood River City Council finds as follows:

**WHEREAS**, the Hood River Housing Strategy Document was drafted and approved by the City Council on September 14, 2015 to provide a path for the City to implement the adopted housing policies taking into consideration the work done and policies adopted by the Council relative to the City's Vision and the City's Economic Opportunities Analysis. On that date, the City Council directed staff to begin the code process to limit and regulate short term rentals (Strategy 2 of the Housing Document); and

**WHEREAS**, the City Council discussed a variety of approaches and took testimony from citizens and other interested parties before reaching general consensus on a framework for Short-term Rental regulations. After taking public input on September 29, 2015, November 9, 2015 and November 16, 2015, the Council provided direction to City staff that it was equally concerned about both of the following:

1. That the growing number of short-term rentals in the City reduce the number of year-round dwelling units available for long-term rental by workers, which conflicts with Goal 9's directive to "create a desired balance between the quality of life of this community and economic health of the city" and
2. The increase of short-term rental units in the City's residential zones damaged the livability of those neighborhoods due to the clustering of vacation rentals and thereby conflicts with Goal 9's directive to "Preserve and promote the city's "quality of life" including small town atmosphere, family-oriented community;" and

**WHEREAS**, the council held a duly noticed public hearing on August 22, 2016 to consider land use regulations, amending Hood River Municipal Code (HRMC) Title 17, to regulate short-term rental units in various city zones; and

**WHEREAS**, at the conclusion of the August 22, 2016 hearing, the council adopted Ordinance 2016-2026, which amended HRMC Title 17 and took effect on October 13, 2016; and

**WHEREAS**, on May 23, 2016 the City adopted Ordinance 2016-2022, which imposed a six-month Moratorium on the acceptance, processing or approval of applications for Certificates of Authority to Collect Transient Room Taxes and on the registration of new hotels in residential zones within the City. Ordinance 2016-2022

provided for the automatic sunset of the moratorium on November 23, 2016 and was intended to allow for a deliberative process to establish new regulations of short-term rentals; and

**WHEREAS**, on September 26, 2016 the City Council held a duly noticed public hearing to consider amendments to the City's business regulations in HRMC Title 5 to provide a license program and regulatory framework for short-term rental operations at the hearing, the Council accepted written and oral testimony on the proposal and revised the proposal in light of that testimony; and

**WHEREAS**, on November 7, 2016 the City Council held a duly noticed public hearing to consider the revised proposed amendments to HRMC Title 5 to provide a license program and regulatory framework for short-term rental operations in the City as a new Chapter 5.10 (Short-term Rental Operating License) set forth in Exhibit A, attached hereto and incorporated herein by this reference; and

**WHEREAS**, under the regulatory program envisioned by these amendments, short-term rentals must comply with the land use regulations in HRMC Title 17, obtain an operating license under HRMC Chapter 5.10 and pay the transient room tax under HRMC Chapter 5.09 (Hotel Tax) and comply with all of the substantive requirements of these regulations plus any additional conditions attached to the license; and

**WHEREAS**, to acquire nonconforming status as a short-term rental under HRMC Title 17, the dwelling had to have been lawfully established and in existence, including registered under HRMC Chapter 5.09 as of December 12, 2016, and the moratorium on issuance of new Certificates of Authority to Collect Transient Room Taxes expires automatically on November 23, 2016.

**NOW, THEREFORE**, based on the foregoing findings, which are incorporated herein by this reference, the Hood River City Council Ordains as follows:

**Section 1 – Amendment.** Title 5 (Business Taxes, Licenses and Regulation) of the Hood River Municipal Code is hereby amended to add a new Chapter 5.10 (Short-term Rental Operating License), set forth in Exhibit A, attached hereto and incorporated herein by this reference.

**Section 2 – Emergency Clause.** Due to the need to protect the public health safety and welfare through the consistent implementation and enforcement of Transient Lodging regulations without lapses or uncertainty, especially in the City's residential zones, an emergency is hereby declared to exist that warrants this Ordinance taking effect immediately upon adoption.

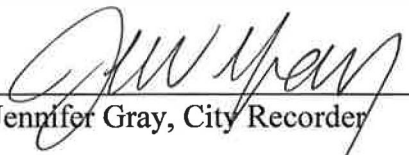

**Read for the First Time** this 28 day of November, 2016

**Read for the Second Time** and approved this 29 day of November 2016. This Ordinance shall take effect immediately upon the second reading.

<b>5.10.010 Title.</b> The provisions of this chapter are intended to authorize and regulate the short-term rental of residential dwelling units on all property within the City of Hood River. To that purpose, there is added to the Hood River Municipal Code Chapter 5.10 entitled "Short-Term Rental Operating License," and those sections and subsections set forth below.	

Draft Code Amendment	Commentary
<p><b>5.10. 020 Purpose and Scope.</b></p> <p>A. This ordinance provides reasonable and necessary regulations for the licensing of short-term rental of residential dwelling units in order to:</p> <ol style="list-style-type: none"> <li>1. Ensure the safety, welfare and convenience of renters, owners and neighboring property owners throughout Hood River.</li> <li>2. Balance the legitimate livability concerns with the rights of property owners to use their property as they choose.</li> <li>3. Recognize the need to limit short-term rental options within the neighborhoods to ensure compatibility, while recognizing the benefits of short-term rentals in providing recreation and employment opportunities.</li> <li>4. Help maintain the City's needed housing supply for residential use.</li> <li>5. Protect the character of the City's neighborhoods by limiting the number and concentration of full-time short-term rentals in residential zones. In the adoption of these regulations, the City finds that the transient rental of dwelling units has the potential to be incompatible with surrounding residential uses. Therefore, special regulation of dwellings listed for transient occupancy is necessary to ensure that these uses will be compatible with surrounding residential uses and will not materially alter the neighborhoods in which they are located.</li> </ol> <p>B. A short-term rental license is a permission to operate a short-term rental in accordance with this chapter. An operating license may be <del>suspended</del>, terminated or revoked if the standards of this chapter are not met or the dwelling is sold or otherwise transferred as defined in this chapter. This chapter provides an administrative framework for licensing the annual operation of a short-term rental.</p> <p>C. The regulations of this code are not intended to permit any violation of the provisions of any other law or regulation.</p> <p>D. Exemption of a use from the provisions of this chapter shall not exempt the use from other applicable provisions of this Code.</p>	<p>A. The purpose identifies the basis for requiring the license for both Hosted Homeshares (HHS) and Vacation Home Rentals (VHR) in residential and commercial zones.</p>

Hosted homeshare means the transient rental of a portion of a dwelling while the homeowner is present. For the purposes of this Title, “present” means the homeowner is staying in the dwelling overnight.</p> <p>E. Licensee means the owner<del>(s)</del> of a dwelling unit who holds a short-term rental operating license.</p> <p>F. Non-transient rental means to rent a dwelling unit or room(s) for compensation on a month-to-month basis, or for a longer period.</p> <p>G. The definition of “sale” will rely on the dictionary. “Transfer” has been defined below.</p>

<p>10. Such other information as the City Manager or designee deems reasonably necessary to administer this chapter.</p> <p>B. Incomplete Application. If a license application does not include all required materials, the application will be considered incomplete and the City will notify the applicant, in writing, explaining the information required. If the applicant provides the missing required information within 30 calendar days of the date of the notice, the application will be reviewed. If the applicant does not provide the required information, the application will be deemed withdrawn and the City may refund all or a portion of the application fee.</p> <p>C. License Fee. The fee for application for a short-term rental operating license or license renewal shall be as established by resolution of the City Council.</p>	
<p><b>5.10.059.060 Term of Annual License and Transferability.</b></p> <p>A. Term. If an authorized agent changes during the operating license period, the licensee shall timely notify the City in writing of the change.</p> <p>B. Transferability. The operating license shall be issued in the name of the licensee(s) and is not transferable. <del>The operating license shall terminate and be deemed void when the licensee sells or transfers the property.</del></p>	<p>A. Licenses are for one year but may be renewed. The annual renewal process is intended to be relatively streamlined. The renewal timeframe mirrors existing taxi cab license language from Chapter 5 of HRMC and greatly reduces administrative burden. This means that a new, full application is necessary every 5 years.</p> <p>B. Licenses are not transferable. See definition of “transfer”</p>
<p><b>5.10.060.070 Operating License and License Renewal.</b></p> <p>A. License Must Be Obtained.</p> <p>1. An operating license shall be obtained and renewed as required in this section. The ability to operate a short-term rental in the City of Hood River shall be discontinued for failure to obtain or renew a license to operate as provided in this chapter.</p>

<p>2. The maximum number of <del>days</del> <u>nights</u> per year which a short-term rental may be operated shall be in accordance with HRMC 17.04.115 and as specified below. <u>The license shall specify whether the short-term rental will be operated as a hosted homeshare or a vacation home rental; however, the number of nights allowed is the maximum number for all short-term rental use of the subject property.</u> The maximum number of <del>days</del> <u>nights</u> shall be indicated on the license and shall not be exceeded.</p> <table border="1" data-bbox="154 651 1123 861"> <tr> <td>Short-term rentals in C-1 and C-2 zones:</td><td>365 <del>days</del> <u>nights</u> /year</td></tr> <tr> <td>Conforming short-term rentals in R-1, R-2 and R-3 zones:</td><td>90 <del>days</del> <u>nights</u> /year</td></tr> <tr> <td>Existing non-conforming short-term rentals in R-1, R-2 and R-3 zones:</td><td>see HRMC 5.10.060.070.A.3</td></tr> </table> <p>3. Existing Nonconforming Short-term Rentals within the R-1, R-2 and R-3 zones. For the purposes of this section, an existing non-conforming short-term rental is one which meets all of the standards and criteria in HRMC 17.04.115.D. The extent of the non-conformity shall be limited to the maximum number of nights of transient rental which previously occurred in any one calendar year, 2013 through October 13<sup>th</sup>, 2016. The applicant has the burden of proving by a preponderance of credible evidence all of the elements of a nonconforming hosted homeshare or vacation home rental.</p> <p>B. Application and Renewal Application Process.</p> <p>1. Existing Short-term Rentals. <del>A complete operating license application and fee is due for all existing short-term rentals by January 13, 2017.</del> Existing short-term rentals may continue to operate until such time as the City has approved or denied the application. If approved, the license may be renewed annually thereafter in accordance with subsection C, below. If denied, operation of the short-term rental must cease within 30 days. Failure to submit an application as required by this section shall result in the loss of all non-conforming use status.</p> <p>2. New Short-term Rentals. A license shall be obtained before beginning operations. A completed operating license application and fee may be submitted and issued at any time. The license may be renewed annually thereafter in accordance with subsection C, below.</p>	Short-term rentals in C-1 and C-2 zones:	365 <del>days</del> <u>nights</u> /year	Conforming short-term rentals in R-1, R-2 and R-3 zones:	90 <del>days</del> <u>nights</u> /year	Existing non-conforming short-term rentals in R-1, R-2 and R-3 zones:	see HRMC 5.10.060.070.A.3	<p>A2. This section reflects the requirements in Title 17 regarding the number of nights a STR can be rented. It has been updated to clarify that the number of nights is the total (i.e., HHs and VHRs are not calculated separately).</p> <p>A3. This section reflects the requirements in Title 17 regarding the number of days a non-conforming STR can be rented.</p> <p>B1. Title 17 requires existing non-conforming hosted homeshares or vacation home rentals to apply for a Short-term Rental Operating license within 60 days of the effective date (Oct. 13<sup>th</sup> 2016) of Ordinance 2026, which is Dec 12<sup>th</sup>, 2016. Section B1 had allowed until January 13<sup>th</sup>, 2017 for incomplete applications to gather the necessary evidence to establish their extent of non-conformity. The current draft leaves the deadline for final application submittal silent due to uncertainty around the length of time</p>
Short-term rentals in C-1 and C-2 zones:	365 <del>days</del> <u>nights</u> /year						
Conforming short-term rentals in R-1, R-2 and R-3 zones:	90 <del>days</del> <u>nights</u> /year						
Existing non-conforming short-term rentals in R-1, R-2 and R-3 zones:	see HRMC 5.10.060.070.A.3

<p><b>5.10.070.080 Criteria for Approval of an Operating License and Operating License Renewal.</b></p> <p>A. The applicant has the burden of proof to demonstrate compliance with each applicable criterion for approval or renewal of the operating license.
