

RESOLUTION NO. 61-4

of

The Common Council of the City of Hood River, Oregon

WHEREAS examination of the City of Hood River SEWAGE TREATMENT PLANT and INTERCEPTER SEWER has revealed that the same has been completed according to the plans and specifications of the contract documents prepared by Cornell, Howland, Hayes, and Merryfield, Consulting Engineers of Corvallis, Oregon, in October, 1958, therefore,

BE IT RESOLVED that the City of Hood River does hereby accept the same and acknowledge the completion thereof.

PASSED by the COMMON COUNCIL this 16th day of January, 1961.

B. A. Erickson
Recorder

APPROVED by the Mayor this 16th day of January, 1961.

R. A. Wilson
Mayor

January 17, 1961

I, B. A. Erickson, City Recorder, hereby certify that the above is a true, accurate, and complete copy of the Resolution passed by the City of Hood River Common Council at a regular scheduled meeting held at 7:30 p.m., January 16, 1961.

B. A. Erickson
City Recorder
